Dated: 19th November, 2012

CORRIGENDUM

This has reference to the Notification No: HLA.848/2011/32 dated 23rd December, 2011 regarding implementation of Janani Shishu Suraksha Karyakram (JSSK). The following amendment may be noted:

It has been brought to our notice that Charitable Hospitals who are in PPP mode with us are facing the problem that they are not entitled to provide JSSK benefits to the beneficiaries. Here it is worth mentioning that they are sharing a substantial share of the delivery load of the district/state.

As such, it is hereby clarified that all PPP Charitable Hospitals in addition to Government Hospitals are entitled to facilitate JSSK benefits for Diagnostics and Blood Transfusion as per the Operational Guidelines issued earlier.
