Sub:-**Distribution of ASHA coupon to ASHAs for full Immunization.**

Sir,

With reference to the subject cited above, I would like to inform you that the State has developed a booklet for ASHA to keep a track of fully immunized infants.

The booklet contain coupon which has three parts; for ANM, Block Account Manager & ASHA .

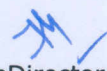

1. It is directed that the ANMs during the first registration of infant for immunization will tear the ANM coupon and keep it with her for record.
2. Along with this she will also verify immunization details from the UIP Master register in Block Account Manager & ASHA coupon after infant is fully immunized.
3. In accordance to this the ASHA while receiving her incentive of Rs 250/- on full immunization will carry the booklet along with her to the BPHC, which again will be verified by the BPHC I/C & accordingly payment will be given by the Block Account Manager. After the payment the BPM will keep his copy of the coupon for record.
4. The ASHA will not receive the incentive if the detail in the coupon does not tally with the ANM register.
5. The booklet will remain with the ASHAs for all the immunized infants.

Therefore, you are being requested to give the ASHA incentive guideline along with the ASHA booklet to the BPHC and instruct them to explain it to the ASHA & ANM about its usage before handing over to ASHAs.

Yours Sincerely,
