Notes:

¹ There is a reduction in the number of Centres functioning as on March, 2006 as compared to those functioning at the end of Ninth Plan due to the division of State.

² The number of Primary Health Centres reported functioning in Kerala has reduced as compared to that in 2002 because some PHCs are now falling in the urban area.

The number of Primary Health Centres reported functioning in some States has reduced as compared to that in 2002 due to upgradation of centres to CHCs
